Thanks Michael.

I'm cc'ing Matt Klasen in OW so he knows that the R10 RA has reviewed the draft response to the Murkowski control re Bristol Bay and has no further edits.

Kate and Rick,

Seems like Dennis would want to review prior to going out? Can you facilitate that.

Note: I have a call into Jim regarding the schedule. I also gave some feedback on the web site links (I think they need to be live links on the document so they will show up on the .pdf) plus three of the websites have Notices, in red, that are almost a year out of date. I suggested those needed updates prior to sending the letter.

Thanks
